HEALTH HAZARDOUS MATERIALS DIVISION ANNUAL PERMIT FEES FOR FISCAL YEAR 2006-07

This Department is pleased to announce that the annual permit fees for hazardous waste and hazardous material facilities will remain the same for Fiscal Year (FY) 2006-07. This decision is the direct result of cost savings derived from a less than expected increase in employee benefit rates and the efforts of the Department and the Health Hazardous Materials Division to improve efficiencies of the operation.

Future operational costs will be evaluated and may result in the need for a fee increase for FY 2007-08. Such a proposal will be prepared and presented to your Honorable Board in March 2008. I will look forward to meeting and discussing any such proposal with you and/or your Board Deputies at that time.

If you have any questions, please call me at (323) 881-2401 or your staff can contact William Jones, Chief, Health Hazardous Materials Division, at (323) 890-4042.
